Re: Charitable Donation (Amount: \$15,000.00) (Check: #4053)

Dear Ms. McAndrew,

On behalf of the Candlelighters Board, staff and families, we would like to thank you and Care Camps for your very generous donation to our children's oncology summer camp program.

Last year, we held our first, socially distanced, family camp which served as a safer alternative in these times of covid. This year, we are very excited to be able to bring back Camp Courageous, our free week-long resident camp for survivors of childhood cancer.

Camp Courageous is certified as a Gold Ribbon Children's Oncology Camp. Established in 1980, the goal of camp is to help our young survivors rebuild their self-esteem while teaching them respect, kindness, patience, and confidence.

This letter is acknowledging that no goods or services of any value were or will be transferred in connection with this monetary donation. Candlelighters of West Texas/Southern New Mexico is a nonprofit 501(c) 3 organization. Our federal tax number is 74-2243283.
