Dear Friends,

On behalf of everyone at Okizu, I would like to thank you so much for your generous gift of \$32,000.00.

We are so appreciative of your support of our programs. We are now celebrating our 41st year offering vital support and healing to kids and families affected by childhood cancer. Our 2021 virtual camping programs were a great success and allowed us to continue to provide programs that kept everyone safe while providing much needed support, engagement, and fun. We are delighted to tell you that we are returning to in-person programming this summer. We will be at rented campsites until we secure a home of our own again.

Your generosity makes it possible for us to continue the Okizu tradition of support and fun all year long. Thank you so much.

Sincerely,

Suzanne B. Randall
