Dear Karen:

Thank you so much for the recent donation of \$10,000.00 to Camp Sunshine from Care Camps. Your contribution directly supports our campers and their families, and we are grateful for your investment in our mission.

Through the generosity of donors like you, Camp Sunshine has become a strong and vibrant non-profit since our founding in 1982. You are providing the resources that make our year-round programs possible. Programs like summer camp for approximately 400 children and teens; weekend camp retreats for families, teens, and siblings; hospital-based outreach; regional programs around Georgia; college scholarships for alumni campers; preschool programs and many more that provide a community of hope for children with cancer.

You are truly making a difference with your gift. These words of gratitude from our campers best express the impact of your support:

"Camp Sunshine is my home away from home. It is so much fun and I wouldn't miss it for anything. Thank you for your kindness. This camp brings so much joy to so many kids with cancer. I am grateful."

"Thank you so much for donating to Camp Sunshine. I've been able to meet so many people that get the hardship of cancer at such a young age. Thank you so much!"

I am deeply appreciative of your generosity and commitment. You are providing a ray of hope for children with cancer. Thank you.

With gratitude,

Sally Hale
Executive Director
