Dear Karen,

Thank you for supporting the children and families of Camp Ta-Kum-Ta with your donation of \$21,500. Your gift and the support of our amazing community make Camp's year-round programs possible. We couldn't do it without you.

Our programming provides a place for parents to connect with other parents who know all too well the challenges of a childhood cancer diagnosis, for siblings to bond together while having the time of their lives and for children who have or have had cancer to reclaim the joy of childhood that may have been over shadowed by appointments. Camp is a place where families can connect and be a part of a community that truly knows what they are going through.

With your generosity, 2022 will be a year of reconnection and joy for our families. Under the guidance of our Wellness and Health Advisory Team we are taking the necessary steps to slowly and safely return to in-person programming. We are so grateful for your help to make this happen!

Thank you for being part of the Ta-Kum-Ta family. We hope that you'll follow us on social media and sign up for our monthly newsletter to stay up to date with all of the wonderful things happening at Camp Ta-Kum-Ta.

Sincerely,

Dennis P. DePaul
