If only they knew, Karen and Grant Committee...

... these children would say thank you themselves. With a handshake, a high-five, likely a hug! To each of them, you are a **partner** in their journey, and I am eager to express gratitude for your grant of \$14,000.00 for Camp Victory and Camp Rachel.

Thank you for being a **partner** in each of these child's journey - their ultimate fight. Every day we learn of another child facing the challenge of cancer, another frightened family starting an unknown journey. You give us the strength to respond to their needs, ensuring that child will get to lifesaving treatment regardless how far or long or often.

Our name says it all - **Children's Cancer Partners** - and we could not do what we do every day without you as our partner. Thank you for being invested in their journey and ensuring each child has access to the very best care they need and deserve.

On behalf of the children who say thank you, with their hugs and high-fives, we express our deepest gratitude.

Sincerely,

Laura Allen  
Executive Director
