Dear friends,

With sincerest gratitude, we thank you for your donation of \$15,000.00 to **Sunrise Day Camp – Pearl River**. Sunrise Association's mission is to bring back the joys of childhood to children with cancer and their siblings world-wide through the creation of Summer Day Camps, Year-Round Programs and In-Hospital Recreational Activities. Your generous gift will enable the children of Sunrise to experience a fun-filled summer and year-round programs, all offered completely *free of charge*.

Sunrise Day Camp Long Island first opened its doors in the summer of 2006, offering a day camp experience to 96 children affected by cancer. Fast forward to today, Sunrise Association now boasts eight camps – one each in Atlanta, GA and Baltimore, MD, three camps in New York (Long Island, Pearl River and Staten Island), and three in Israel. This past summer, over 1,700 children returned to in-person camping with an additional 100 participating through our Virtual Camp. Sunrise Association is currently affiliated with 36 pediatric oncology hospitals within the communities where we have camps, offering our in-hospital program – Sunrise on Wheels – in 21 of those hospitals. Through the creation of the **Dorothy and Irving Ross Sunrise Studios**, we are now providing virtual programming year-round and are streaming our newest program – **Wheels Up!** sponsored by American Airlines – inside 31 pediatric cancer hospitals, 26 of which are outside our current camp catchment areas. This past year, despite some of our programs having been curtailed by the pandemic, we estimate that Sunrise Association programs nevertheless touched the lives of over 10,000 children.

Looking ahead, Sunrise Association continues to grow and improve its programs and for 2022, we plan to open two new camps – one in Northern Virginia and the other in Southern New Jersey right outside of Philadelphia.

This extraordinary growth over these past 15 years could not have happened without the support and friendship of people like you. With your help, we are providing hope and joy to thousands of children whose lives have been affected by cancer. We are so grateful for your generosity. From our hearts to yours, we thank you.

I thank you.

With warmest regards,

Arnie Preminger

Sunrise Association President and CEO
