Dear Karen,

Candlelighters Childhood Cancer Foundation of Nevada is extremely thankful for your compassion and generosity. Your gift allows us to help families affected by childhood cancer. From financial assistance to much needed emotional support, your contribution ensures families don't have to face childhood cancer alone.

"Chase was being admitted to the hospital that day to begin chemotherapy. When you hear the word 'cancer', it's like a full blown kick to the chest. It's even worse when you hear 'chemotherapy'. If it wasn't for the help of the wonderful people who work at Candlelighters, I really don't know how we would've gotten through everything we did."

-Bethany, mom to Chase, age 4

It is families just like Chase's that trust Candlelighters to help guide them during such a difficult time in their lives. Thank you for your support to make our mission possible. Together, we will ensure that families in Southern Nevada don't have to fight childhood cancer alone.

With deep appreciation,

Dear Care Camps,

Thank you for the opportunity to partner in the most meaningful ways. We couldn't bring the camp magic for our 100+ kiddos w/o your support. And for that, we are forever grateful.

- Kimberly
