Dear Friends: *[Handwritten signature]*

On behalf of all the children and families of Camp Good Days and Special Times, Inc. I would like to thank you for your very generous donation. Since our inception 43 years ago, Camp Good Days has served more than 50,000 campers from 22 states and 36 foreign countries.

When Camp Good Days was started, I made the promise that no one would ever have to choose between paying the mortgage or car, or sending their child to camp. When a child is diagnosed with cancer, all too often the financial costs are a huge burden. Even when the family has health insurance, one of the parents, usually the mother, is forced to stop working or reduce their hours to care for the child. Subsequently, the family income will drop.

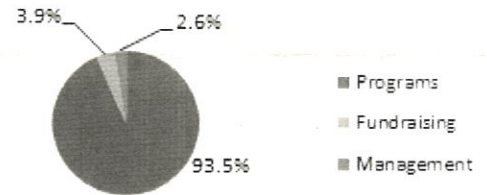

No camper has ever been turned away from attending Camp Good Days due to financial reasons. I'm proud that, with the help of donors like you, we've been able to continue providing services for children and families whose lives have been touched by cancer and other life threatening challenges. In accordance with the changes in the Internal Revenue Service Regulations Camp Good Days and Special Times, Inc. acknowledges your cash contribution of \$24,500.00. Camp Good Days acknowledges that you have not received any goods or services in consideration of the above noted contribution.

Thank you again for your support!
 Sincerely,
