Dear Ms. McAndrew,

On behalf of Camp Happy Days and the children we serve, thank you for KOA Care Camps' very generous gift of \$39,500 in grant funding for Camp Happy Days in 2022. Your gift brings joy to kids facing cancer, and provides them and their families with cost-free, year-round support. We rely on our most important donors, like you, to make our programs possible and keep them free to families.

Camp Happy Days has one mission: to give back what cancer takes away, and to create powerful, life-changing experiences that help these children and their siblings live their dreams, realize their potential, and discover a renewed sense of pride and self-confidence.

"Camp is a way for cancer survivors to connect with others who have gone through the same things as they have and who understand how they feel. My sister Elaina is a cancer survivor and we have been going to camp since 2018. At first, we were nervous about going to a sleep-away camp for a week, but we left there counting down the days until camp next year!" ~Claire McLoughlin, 12

Thanks to you, Camp Happy Days is expanding our programs and services in 2022:

- We will continue the virtual programs we started during Covid-19 along with in-person events so we can reach every child that needs our support.
- We are hosting our first full in-person summer camp since 2019 for more than 250 kids.
- We have moved into a new building complete with a large yard, activity room, and family lounge with space for all-new, year-round programs to better meet families' daily needs.

Your gift ensures that children and families facing pediatric cancer have the support they need to improve their physical, mental, and emotional well-being through the healing power of Camp Happy Days. Thank you for opening your heart to them, and for believing in the work that we do.

Warmest regards,

Cindy Hay Johnson
