Dear Karen:

On behalf of Camp Sunshine's Board of Directors, staff, volunteers and most importantly our Camp families, I sincerely thank you for your donation of \$20,000.00 received on Thursday, May 26, 2022 to our Program.

Your support today will enable us to spread the "magic" of our program and impact many more families from across the country and even the world. With your help we will be able to create "Moments that Matter". Though the last few years have had their challenges, we remain steadfast in our mission to provide a supportive community to these families in 2022. Your generosity and caring support allows us to continue providing connections, special experiences and the ability to reach more families.

As we continue to move our mission forward, and navigate the changing world around us, your support is more important than ever. Together we can make a difference and provide some "Sunshine" for families when they need it most. Thank you for giving us the opportunity to serve these amazing families.

With Gratitude,

Michael Katz
Executive Director
