Dear Karen and Colleagues:

On behalf of Dream Day on Cape Cod and the families we serve, thank you for your generous grant(s) of \$14,000 and \$5,000.. It means the world to us that you, your colleagues, and your donors continue to believe in the mission of Dream Day. These grants will be used directly in support of our programs as outlined in the application.

Through the kindness of people like you, who open their hearts to Dream Day, we reach out to families whose lives are touched by the serious illness of a child. Though we cannot erase the fears our families face, nor alter their course of fate, we can provide them a vital respite from their everyday struggles and create lasting memories for them.

We invite you to follow our continued successes, made possible through your generosity, on our website, www.dreamdayoncapecod.org as well as on Facebook at www.facebook.com/dreamdayoncapecod.

Gratefully,
