Dear Ms. McAndrew,

Thanks to donors like you, we celebrated our 40th anniversary of providing free camp to children with cancer and their siblings in 2021. This summer we will host five weeks of residential summer camp, a Family Camp weekend for new Happiness Is Camping families, a session of College Prep Camp, and our Counselor and Mentorship Program for the most senior campers. Our award-winning virtual programming will also continue over the holidays and during school breaks.

In 1980 when Happiness Is Camping first began our summer camp program, we had visions of what our camp could offer children with cancer and their families. We have since provided free camp to over 20,000 campers from more than 25 pediatric oncology hospitals across the country. Our dreams have been exceeded, but we will not stop until there is a cure for pediatric cancer and our services are no longer needed.

Your gift of \$1,706.77 helps us to buy medical supplies, provide healthy meals to our campers, and grow our programming so that kids with cancer have a safe place to celebrate being a child and feeling normal with their peers.

This letter serves as your official tax receipt. Federal law requires us to inform you that no goods or services were provided in exchange for this donation. If you have any questions, please contact me at rich@happinesiscamping.org or 908-362-6733.

Sincerely,

Richard Campbell
Executive Director
