Dear Care Camps,

On behalf of all the campers we serve each year, we thank you for your gift of **\$25,000.00** to Camp Ronald McDonald for Good Times® (“Camp”). Your significant investment in our programming enables us to provide our healing camp programs free-of-charge for children with cancer and their families.

Your generosity allows us to keep Camp free-of-charge so that children with cancer and their families will continue to experience the joy, fun and adventure that Camp provides them. The memories and friendships made at Camp last a lifetime and the independence skills our campers learn will help them reach their highest potential. We are delighted that you have partnered with us to provide this special experience where healing happens for campers and the entire family.

The impact of your gift was recently expressed by one of our campers in her post camp survey, “When I was diagnosed with cancer my life was changed forever. I felt so abnormal; kids would always stare and laugh at me. It seemed like the only safe place was the hospital. A few years later I heard about a place where we were the ‘normal’ ones. Camp is a place that makes everyone a big family. Thank you...camp has changed my life.”

Thank you for being part of our Camp Family as we change lives together.

Sincerely,

Erica Mangham
Executive Director

The Watson Family first visited camp in spring of 2019, when 7 year-old Alanna Watson was on the verge of completing treatment for medulloblastoma, a form of brain cancer. During their Camp session, Alanna had the chance to have fun with children her own age after the isolation she'd experienced in the hospital and introduced Stephen and Emilee to a community of support with other parents who understood the challenges of a pediatric cancer journey. From the get-go, Camp filled a special place in their hearts.

Thank you for your contribution. No good or services were provided in exchange for this contribution. Ronald McDonald House Charities Southern California is an exempt organization as described in Section 501 (c)(3) of the International Revenue Code: Federal Tax ID 95-316786
