Dear Karen,

Thank you for your recent gift of \$5,000.00 to Children's Cancer Connection on 6/6/2022! Your gift means more now than it ever has. We can't thank you enough for thinking of us during this time. Your gift is a vital part of making the journey for those affected by childhood cancer a little easier.

You are a part of an amazing group of people, who last year helped over 700 families connect with others facing a journey similar to their own. Because of your support, a variety of programs are available at no cost to families, including Hospital- and Clinic-Based Programs, Support Programs and Outings, Camps, and Scholarship opportunities.

From the pages of a family's My Journey Book, to the lifetime memories created at camp or the chance to expand our programs, your gift makes it all possible. Thank you for providing Children's Cancer Connection the resources needed to make each day a little better for the children and families served.

From the bottom of our hearts, thank you for continuing to support the entire family for their entire journey.

Sincerely,
