Dear Karen McAndrew,

You are amazing!

Your recent donation helps us to provide a lifeline to children battling cancer. As a program of the Ronald McDonald House of Danville, Camp Dost gives pediatric cancer patients the opportunity to enjoy a summer camp experience without having to worry about the thought of medical treatments, the constraints of hospital rooms or the physical or emotional challenges of fighting cancer.

Through Camp Dost, our campers can rebuild their confidence, realize a new-found independence through personal growth and enjoy the friendship of others who share in their experiences. They are not alone and they have you to thank. Their smiles say it all!

Your gift makes a significant difference in the lives of our campers. Thank you for supporting this wonderful Program.

Sincerely,

Christina Lehman
