

About the Artist

The drawing was created by camper Zach, a pediatric cancer survivor who has been attending Camp One Step programs since 2009. The heart image featured on the front is a friendship bracelet, which is worn by campers to represent friendship, connection and community.

Dear Karen and Care
Camps ,

Thank you so much for
your generous grant awarded
to Camp One Step. This gift
will support our 2022
Summer Camp, a special
place where children
diagnosed with cancer will
laugh, build self. confidence,
and feel like they belong.
We appreciate your
support & look forward to
sharing updates & photos!
Best,
Jill + Camp One
Step
