To Care Camps

As our camp 2022 season has finally come to an end, words cannot express how grateful we are for your donation to support Camp HIS KIDS 2022. I mean, I'm going to try, but I don't think I could ever really explain how much it means to these childhood cancer families.

Since March of 2020, we've faced an uncertain future with donation dips and fundraising events cancelled. At times, we saw no end in sight and we had no reason to believe that our sponsors would continue to support us as times are hard for everyone. But they did. YOU did. YOUR donation this year meant more than it EVER HAS to our childhood cancer families and we cannot thank you enough for your support during this difficult time.

So please, see the attached page to see our Camp HIS KIDS 2022 impact. You'll also see some pictures of our campers during camp and hear about all of the amazing things that YOU were able to achieve with your donation this year.

THANK YOU for an amazing year and we can't wait until we can get back to camp again in 2023!

Sincerely,
