

What is Care Camps?

Who We Are

Care Camps is a non-profit that helps children with cancer and their families get to camp and experience the healing power of the outdoors.

The Camps

Each camp combines emotional support, medical treatment, and FUN! At camp, kids find joy and laughter in activities like hiking, fishing, and singing around a campfire.

The Family

A childhood cancer diagnosis is traumatic for the entire family, and the emotional and financial struggles can be overwhelming. Care Camps helps them build connections, laugh together, and find healing in the great outdoors.

The Friendships

At camp, crucial friendships are built with others who understand what it is like to have cancer. These relationships help kids get through their hardest times.

The Need Is Growing!

In 2022, Care Camps supported 132 oncology camps that serve kids in every community... but the need exceeds our current resources. Last year less than half of the programs received the funding they needed. Will you help?

100% Goes To The Kids!

Thanks to the generous support of KOA, all of Care Camps administrative costs are covered. This means that 100% of your donation goes to getting kids and families to camp.

Easy Ways You Can Help:

- Choose "Care Camps" as the beneficiary for [Amazon Smile](#) for all your Amazon purchases
- Do a [Facebook](#) fundraiser
- Organize a fundraiser using our easy "FUN-Raising Toolkit" online!
- Or the easiest of all: Make a donation today and change the life of a child forever!
