WHAT IS GLAMP FOR CAMPS

Glamp for Camps is our way of giving back through our partnership with Care Camps Foundation. Through this program, we help support pediatric oncology camps across the United States and Canada.

WHAT DOES CARE CAMPS FOUNDATION DO

Care Camps Foundation provides funding to pediatric oncology camps. These camps offer safe and accessible, medically supervised camp experiences for children with cancer and their families. It is a place where children can enjoy the outdoors, build friendships, and feel a sense of belonging.

WHY IT MATTERS

These camps give families time together in a supportive outdoor setting. Children can simply be children and enjoy moments of adventure and outdoor fun. Families can connect with others who understand their journey.

HOW OUR PROPERTY IS INVOLVED

We are proud to be part of Glamp for Camps. We include simple ways for guests to give back through select experiences and optional contributions. It is a natural extension of the outdoor experiences we already offer.

HOW GUESTS CAN PARTICIPATE

If you would like to take part, there are a few easy options:

- You may see an option to add a small donation
- Some of our experiences include a give back component
- You can also use our QR code to learn more or donate

SOFT RECOMMENDATION TO DONATE

If it feels meaningful to you, this is a simple way to be part of something that supports these camps. Even small contributions help provide more opportunities for these outdoor experiences.
