

## GLAMP FOR CAMPS WEBSITE VERBIAGE

### FULL WEBSITE SECTION

We are proud to participate in Glamp for Camps in partnership with Care Camps Foundation. Through this program, we help support pediatric oncology camps across the United States and Canada.

Care Camps Foundation provides consistent funding to camps that offer safe and accessible, medically supervised camp experiences for children with cancer and their families. These camps create space for children to enjoy the outdoors, build friendships, and experience a true sense of belonging.

As part of our commitment, we offer simple and meaningful ways for our guests and community to be part of this impact. Whether through small optional contributions or select experiences that include a give back component, every effort helps support these camps and the families they serve.

We are honored to be part of a program that reflects the values of connection, community, and the healing power of the outdoors.
